# MYSH

## **MOH'D YOUSEF AL-SHBATAT & PARTNERS CO**

Moh'd Yousef AlShbatat & Partners Co. (MYSH) was established in the Hashemite Kingdom of Jordan in 1977 as a small company in the field of agricultural access roads. MYSH has grown from strength to strength and became one of the leading companies in Jordan.

We are a local company with significant projects over all the kingdom.

Our team of highly experienced, dedicated, talented professionals are the keystone of our business who adopt a truly collaborative approach to their work .

---

## **MYSH HEAVY EQUIPMENT TRADING AND RENTAL L.L.C**

The year 2021 has marked a beginning of a new era for MYSH company by establishing a new branch in Dubai for heavy equipment trading and rental that serves the same mission and having the same vision as well.

this milestone will broaden our horizons and spread our wings over the Gulf market to continue the legacy we've started half a century ago with expanded fleet of machinery in both size and type to cover all market demand.

## Our Clients

**US Army Corps  
of Engineers**

### Contracting Services:

Engaging our experience, team effort, and technology, MYSH offers a competitive quality contracting services that satisfies and fully complies with client's requirements for any project.

- Airfields and Runways Construction and Rehabilitation
- Pavements, Roads, and Highways Construction
- Concrete Buildings & Steel Structures Construction
- Earthworks and Excavation
- Solar Systems and PV Panels Installation
- Infrastructure & Electromechanical Works
- Aggregates, Asphalt and Concrete Mixes Supply

### Logistical Services:

Rental and Supply of:

- Construction & Specialized Equipment
- Power Generators, Cranes, Forklifts, Telehandlers, Light Towers, Air Compressors and Pickups, etc.
- Electrical Appliances
- Water Tanks
- Transportation of Passengers, Equipment & machinery.

## Projects

MYSH'S ability to manage each phase of a project's efficiently and effectively has enabled the Company to successfully complete more than 160 projects with a wide and various range of activities.

### Key Projects:

#### 1. East Pond Expansion SP 2-3 Part B

Client : Arab Potash Company

Project Duration : 940 Calendar Days

Date: Aug 2022 - Ongoing Project

The purpose of the Works under this is to construct the new salt pond SP2-3 for enrichment of brine by evaporation and salt deposit. The project is mainly concerned in the excavations of 4,450,000 Cu.m of Solar Evaporation Pond, and the processing and stockpiling of fill material, and using fill materials for Dikes Construction.

Contract Value: \$10.4 M

#### 2. Phosphate Mining– Al Shidiya

شركة مناجم الفوسفات الأردنية  
المساهمة العامة المحدودة

Client : Jordan Phosphate Mines Company

Project Duration : 22 Months

Date: Jan/ 2021 - Ongoing Project

The project summarizes in mining 40,000 tons of phosphate monthly. Including the screening of the phosphate material, excavation, removal and stockpiling of overburden material.

Contract Value: \$18.5 M

#### 3. UD2.4 Aprons, MSAB, Jordan

US Army Corps  
of Engineers®

Client : US army Corps of Engineers

Project Duration : 1030 Calendar Days

Date: Jun/ 2020 - Ongoing Project

Scope of Works includes the construction of Flexible Pavement for Flight Line Roads and Rigid Asphalt Pavements for Aprons. Scope also includes Excavations, Marking and Rip Rap construction.

Project Value: \$8 M

[www.mysh-jo.com](http://www.mysh-jo.com)

## Projects

### 4- MSAB 13/31 Runway Repairs / Site Adapt - Jordan:

US Army Corps  
of Engineers®

Client : US army Corps of Engineers

Project Duration : 980 Calendar Days

Date: Jan/ 2018 - Delivered

Scope of Works includes: 4 Km Runway and Taxiways repair and rehabilitation, including earthworks, milling, paving, Marking, asphalt repair for rigid and flexible pavement.

Project Value: \$8 M

### 5 - Construction of Al-Rukban/ Al-Hadalat Border Road :

Client : Ministry of Public works & Housing  
Saudi Fund for Development

Project Duration : 564 Calendar Days

## Events & Participations

### **American Chamber of Commerce Membership**

Certificate of Membership was awarded to MYSH in June 2016

### **International Contracting Exhibition Conference 2015**

Hajj Mohammad Yousef Al-Shabatat received the Remarkable Achievements Shield from the Federation of Arab Contractors by The Minister of Public Works & Housing.

## Contributions:

### Serving Local Community:

Since its establishments, our company has been a supporter of charities and a leader in voluntary works, especially during the snow season whereby our earthmoving machines are utilized to support the local government in opening blocked roads & facilitating smooth traffic flow.

### Youth Employment:

MYSH provides more than 80 job opportunities to the Jordanian youth in various fields including technical, managerial, operators, skilled & unskilled labor.

We also cooperate with the Jordan Engineers Association in terms of providing field training to fresh graduates thus contributing to the reduction of unemployment.
